

Help Us Get Rid of Curly-Leaf Pondweed In Lake Sarah!

Your Lake Association has secured grants of +/- \$35,000 to do a whole-lake, low-dose treatment for curly-leaf pondweed. They've also secured professional consultants and LSIA volunteers that will apply the treatment.

\$35,000 is NOT enough.

**If you live on or enjoy Lake Sarah, please donate \$100 to help offset the shortage.
Please make your donation of \$100 or more today, it's truly a bargain!**

Benefits:

- Increase your property values and enjoyment of Lake Sarah.
- Minimize dead material washing up on shore or decaying on the lake's bottom.
- Improve environment for fish and native plants.
- Improve water quality, clarity and the long-term health of Lake Sarah.

What you need to do:

- Mail check payable to LSIA for \$100. P.O. Box 25, Loretto, MN 55357-0025
- Or go to www.lakesarah.com and make payment via PayPal (water quality link).
- Or remit to your block captain (see list in LSIA newsletter e-mailed April 5).

Please support this effort!

**Want to learn more? Come to LSIA's Spring Meeting at Detour 19, Wed April 23.
6:00 Social, 7:00 Meeting. Everyone is welcome!**

Have a great summer! Lake Sarah Improvement Association (LSIA)
